Who is the SF Housing Action Coalition?

The San Francisco Housing Action Coalition (SFHAC) is a locally based, 80-member non-profit whose mission is to advocate for the creation of well-designed, well-located housing, at ALL levels of affordability, to meet the needs of San Franciscans, present and future. Our membership represents a broad spectrum of architects, non-profit housing developers, market-rate housing developers, attorneys, neighborhood associations, construction companies and other non-profits that support increased housing production to solve housing affordability in our City. We invite you to sponsor SFHAC's events to support our work to push San Francisco towards becoming a more pro-housing city.

The San Francisco Housing Action Coalition is a 501c3 through our fiscal sponsor, Greenbelt Alliance (tax # 94-1676747). Your donations to the SF Housing Action Coalition are tax-deductible to the full extent of the law. Checks must be made payable to SFHAC/Greenbelt Alliance.
